

Polystyrene Virgin

Food and Drug Administration (FDA)

When used unmodified for food contact applications, this resin will comply with the U.S. Food and Drug Administration Food Additive Regulation 21 CFR 177.1640.

This polymer is allowed for use with all food types under condition of use A-H as defined in Table 2 of 21 CFR 176.170(c).

The use cited above is subject to good manufacturing practices and any limitations, which are part of the regulations.

The regulations should be consulted for complete details.
